BESSIE BOSTON DAHLIA FARM

SAN MATEO, CALIFORNIA

The following are the retail prices for all the varieties we can offer to the trade in quantities. Wholesale prices are only given to properly identified growers.

We allow a discount of 25 per cent when less than 6 of a variety are ordered. For 6 or more of a variety, 33 1/3 per cent. F. O. B. San Mateo. These discounts will cover varieties in the retail catalogue when we have the stock.

All shipments at purchaser's risk if damaged in transit. Shipments outside of California before April 1 require extra packing to protect from frost as far as possible; owing to this we are compelled to make a small packing charge. Shipments by parcels post will be sent C. O. D. for post office charges.

Full descriptions will be found in the 1922 and 1923 catalogues. 1923 catalogue will be mailed early in January.

The prices are for field grown stock. Our dahlias are unpropagated and are grown from roots, not cuttings, so are free from weakness or disease.

ORDER EARLY. Bessie Boston dahlias are in great demand.
